

The size of the
peggy square
once tied

Key: - - - - - Wherever you see this symbol
you need to cut along the ——— line
beside it.

 There is no material in the corners.

Method: ① Cut the whole square out. Pin to your
material & cut out as many squares
as possible.
to form a blanket.

3 Once all squares are cut to the pattern, swap some of your squares for other colours. 4 Tie the strips together

2 Cut the lines inside the template. Pin to each square and cut accordingly.
